Final Week for AIACC Member Savings

Increasing the VALUE of Your AIACC MEMBERSHIP

Frustrated with your current BIM software? Interested in a solution that's easy to use and built for architects by architects?

The AIACC is pleased to announce the return of the Member Value Program, in partnership with Graphisoft and Bentley, for BIM Design Software. The following are the details available to AIACC members through September 28:

BENEFITS:

Graphisoft:

- **Special Value Pricing** :**SAVE 25%** on ARCHICAD 22 & Solo
- **Member Only Training** : Learn BIM through an **on-demand basic training program** created specifically for AIACC members.
- **BIM In-Practice Presentation**: View an OnDemand webinar to hear architects discuss **how they useBIM successfully** on projects.

Bentley:

- **Special Value Pricing** :**SAVE 25%** on AECOsim Building Designer product
- **Member Only Training** : Learn BIM through an **on-demand basic training program** created specifically for AIACC members. PWS CF credit for training.
- **BIM In-Practice Presentation**: View an OnDemand webinar to hear architects discuss **how they useBIM successfully** on projects.

Who's Eligible?

- Valid for new customers who are AIACC members. Multi-license discounts available for existing clients.
